9/25/2013	1480	122619	Duplicate Entries in the Statement of Ownership Report	Reports	02-Medium	PostalOne!	38.0.0	There are duplicate entries showing up in Box 10 of the Statement of Ownership, PS Form 3526. A work around that can be used to correct this is to go in and make an Amended 3526 and on the first page make surethe "List of owners is in the publication file at the original entry office" check box is checked (activated). Submit the Amended 3526 (no other changes), this should remove the addresses from the statement. After it issaved, go back in and make a second Amended 3526, this time uncheck the check box for the "List of Owners…." and add back the 3 addresses to the statement. Save this Amended 3526 and the duplicates should begone.
